**"To worship the Lord, we first have to "lift up our eyes". In other words, not to let ourselves be imprisoned by those imaginary spectres that stifle hope, not to make our problems and difficulties the centre of our lives. This does not mean denying reality, or deluding ourselves into thinking that all is well. On the contrary, it is a matter of viewing problems and anxieties in a new way, knowing that the Lord is aware of our troubles, attentive to our prayers and not indifferent to the tears we shed... When we lift up our eyes to God, life's problems do not go away, no; instead we feel certain that the Lord grants us the strength to deal with them."** Pope Francis
