Synod for a Synodal Church: we are all invited to make our voices heard – and to listen to one another. That's what consultation is all about. In a few weeks meetings will be scheduled to talk about the basic question: "A synodal Church, in announcing the Gospel, 'journeys together.' How is this happening today in your local Church? What steps does the Spirit invite us to take in order to grow in our 'journeying together'?" Our grassroots input will be gathered and sent on to the deanery, to the diocese, and finally to the Church as a whole. Let us pray for the success of this venture.
